

TERRORISTS OF 9-11 CAN HARDLY WAIT FOR 9-13.

"In countries like the United States it's perfectly legal for members of the public to own certain types of firearms. If you live in such a country obtain an assault rifle legally, preferably an AK-47 or variations."

PRESIDENT BUSH IS BLOCKING RENEWAL OF THE ASSAULT WEAPONS BAN DUE TO EXPIRE SEPTEMBER 13.

That means any terrorist in the U.S. will be free to walk into any gun shop

Who in this day and age would give society's worst killers—terrorists, drug dealers, violent gangs—the means to commit mass murder in a matter of seconds? **President Bush: Renew the assault weapons ban!**
