Incredibly, these Senators have caved in to the National Rifle Association's bullying and are supporting a bill that exempts Bull's Eye Shooter Supply and other reckless gun dealers and manufacturers from the laws that apply to every other industry in America, including toy guns. It is a shameful violation of American principles of justice.

If Senate bill 659 passes, Bull's Eye will be rewarded with total immunity from legal challenges by the victims of these killings—and the NRA will win a victory for its extremist agenda. This legislation is opposed by hundreds of mainstream organizations including the U.S. Conference of Mayors, National League of Cities, National Council of Churches, National Education Association, NAACP, American Jewish Congress, Children's Defense Fund, National Coalition Against Domestic Violence, and the Major Cities Police Chiefs Association—representing 60 of the largest cities in the USA and Canada.

### TELL THESE SENATORS TO HOLD BULL'S EYE ACCOUNTABLE AND VOTE NO ON S.659

Polls show more than 2 out of 3 Americans want irresponsible dealers like Bull's Eye held accountable. Good gun dealers don't need immunity, bad dealers like Bull's Eye don't deserve it. Bull's Eye Shooter Supply of Tacoma, Washington, 'lost' the assault rifle used by the DC snipers to murder 12 people. Guns sold by Bull's Eye have been tied to 52 other crimes including homicides and kidnappings. In just three years, Bull's Eye managed to "lose" 238 guns.
